

BA (Hons)

Retail Design

Top-up your Foundation Degree to a full BA (Hons) and further develop your skills in interior design with a specialism in retail design.

This course is specifically designed to continue your studies after completing the Foundation Degree in Retail Design, and offers the opportunity to gain a BA Honours degree.

Course Details

The course comprises 3 Modules. The first 2 Modules are worth 30 credits with the Final Project worth 60 credits.

Level 6

Equivalent to Year 3 of a full-time university degree
Modules;
1 - Retail Space in a Wider Context
or

Exhibition Design

2 - Research Project

3 - Final Project

Study

Part-time, via online distance learning through our Virtual Learning Studio (VLS).

Most students will take approximately 12-18 months to complete this course via flexible part-time distance learning. Some students take longer and some complete more quickly.

Entry Requirements

One of the following:

- A Foundation Degree in Retail Design or similar
- HND in Interior Design or similar (additional modules may be necessary).
- Portfolio of extensive interior design experience

What next?

You may choose to progress to a Masters Degree or PhD or access a host of graduate training programmes.

You can become a freelance designer; start your own commercial practice within a range of industries, or work as a qualified interior designer within an interior design or architectural practice.

There are also opportunities to work in-house within a large or global retail organisation.
